

EDUCATIONAL PAGE

CENTERVILLE HIGH SCHOOL

We are proud of our educational page in The Intelligencer. We look forward to Tuesday's paper with pleasure.

Miss Maggie Garlington has not been to our school this year, but hope she has not forgotten us.

We have an average of about one hundred and fifteen pupils every day. Our principal is one of the most efficient and able teachers we have ever known. Misses Elizabeth Brezeale and Iris Hembree are splendid assistants, who are doing excellent work.

We hope we will have good weather and roads for field's day. We are anticipating a fine time.

We were glad to have Rev. W. B. Hawkins of Starr visit us recently. He gave us an excellent talk on education. We enjoyed it very much, hope he will come back again.

Several of our pupils attended a "tacky" party at Miss Mary Campbell's in Greenville district last week. All reported a pleasant time.

Miss Jannie Garlington visited our school a few weeks ago, some of our girls are going to join the tomato club.

Little Willie Carson, daughter of Mr. J. T. Carson, who has been ill with typhoid fever is up. Hope she will be back to school in a few days.

Little Claudia Campbell, daughter of Mr. and Mrs. L. T. Campbell, entertained several of her little friends last Saturday at her seventh birthday. She received a number of nice presents. They served cake and cream. The decorations were pink and green. The evening was spent delightfully.

A PUPIL.

GET RID OF LINGERING COLDS, COUGHS AND LA GRIPPE.

Spring finds many afflicted with lingering, hacking coughs that weaken the system. Sore and wet cause more colds than dry weather. Croup, bronchitis, and pneumonia are prevalent. Every family should have a safe and reliable cough medicine ready for use. Foley's Honey and Tar Compound contains no harmful ingredients. It cures a cough, checks a cold and relieves inflamed and congested membranes. It clears the air passages and soothes inflammation. Evans Pharmacy.

MEAT BARGAIN SALES

For heaven's sake, child, STOP! LOOK! LISTEN! There is reason in all things. Think for a minute, that terrible foot and mouth disease. Buy the home raised meats and no other at any price. Buy from

LILY WHITE MARKET

WANTED Fifty Boys and Girls At ONCE

LISTEN. Here is a proposition. If you wish to prepare yourselves for high salaries in positions at the very least possible outlay of expense, then we want to talk business with you. Did you know that we can more than double your earning capacity within a short time if you will just place yourselves under our instruction?

Let us explain this plan, and its cost to you. You have no idea what a small outlay of expense may mean to you in Perry Business College education.

Our list of graduates shows that thousands of young boys and girls are now making a grand success in life, who obtained their training here.

Start today, the demand is always great for competent help. Unless you begin you will never be ready for that position that awaits you. Send for particulars. We are glad to serve you. Opera House Building

Perry Business College

Greenville, S. C.

DENVER SCHOOL

Well the sun is shining one more time and we are all glad, for we don't like rainy weather. We don't like to stay indoors that well.

We like to get out and play ball. We have two ball teams, the boys one and the girls one. We hope the girls will get so they can play against the boys before school is out.

Our boys are going to play with the Smith school Tuesday or Wednesday.

Our improvement association met last Friday afternoon and the school had a right nice program.

It was as follows:

Dialogue—Characters—Ruth Hammond, Cornelia Milan, Irene Smith, Larie Summerville and James Darby.

Recitation—Fred Garrison.

Recitation—Grady Phillips.

Recitation—Otis Garrison.

Dialogue—Characters—Bernice Garrison, Faith and Annie Bell, Darby, Margaret Reid, Sarah Hammond, Grace King, Nellie Eskew, Claude Thomas and Billy Hammond.

Recitation—Donnie Richey.

Recitation—Stacy King.

Recitation—Clyde Garrison.

We have about fifty members in the association and hope to get a lot more.

We are going to have an entertainment and box party next Friday night, March 12th. The admission will be 5c and 10c. Everybody is cordially invited.

UNION SCHOOL

The pupils have been very much pleased with the fact that they have had a few days of beautiful sunshine, in which they had the privilege to engage in playing ball, the boys base ball and the girls basket ball.

Miss Garlington was a visitor at our school last week.

The following is the honor roll for February:

Emma McCallister, Agnes Robertson, Jennie Burgess, Rosa Gambrell, Charlie Gambrell, Nellie Baldwin, Raymon Brezeale, Sara Burgess, Hassie Cox, Lois Farr, Eula Gambrell, Clarence Hamby, Jack Hand, Earle, Hand, Eliza Jones, Marion Keys, Kate Knight, Nora Kay, George Robertson, Edith Knight, Azlin Ramsey, Grace Ramsey, Fannie Williams, Lynn Williamson, Maxie Gai-brell, Bessie Jones, Clarence Phillips, Adger Brezeale, Guy Hamby, Monte Baldwin, Billie Hand, Birtia Jenkins, Frank Ramsey, Edna Rogers, Lorone Brazzale, Johnie Mae Baldwin, Melvin Campbell, Harold Campbell, Tommy Jenkins, Houston Jenkins, Carrie Jones, Jene Rogers, George Ramsey and Cowan Williamson.

LEBANON HIGH SCHOOL

The Golden Rod Literary Society will give a public program the night of Friday, March 12th. All are invited to be present. Because of the rain, very few pupils were at school Friday. The society was small, but the following program was given:

Jokes—Frank Thompson.
Reading—Mildred Smith.
Life of Timrod—Malcolm Ducworth.
Extemporaneous Debates—Resolved, That athletics is more important than the literary society.

Affirmative—Ralph McCallister and Ernest Hicks.

Negative—Edith Hutchinson and Nancy Brezeale.

The rest of the school was present with their teachers at this program.

The following were on the honor roll for the last month and their average is also given:

Tenth grade—Max Welborn, 98; Roy Craig, 97; Pearlie Webb, 97; Lois Richardson, 97; Mary Smith, 96; Wade Robbins, 95; and Cecil Cope-land, 95.

Ninth grade—Bessie Harris, 98.

An entertainment was given in the school house Friday night. Because of the rain and the bad condition of the roads, the crowd was small. About a hundred and fifteen were present however. The proceeds amounted to \$10.85, which belongs to the improvement association. We are all glad Mrs. J. Y. Ducworth is at home again. She is much improved in health.

ANDERSON COLLEGE

The students and the faculty of the college were the guests of Manager Bleich at the new Anderson Theatre last Friday afternoon. They greatly appreciate the kindness and courtesy of Mr. Bleich.

Mr. Faithfull and Mr. Williams attended the Sunday school convention at Walhalla, where they made addresses.

Miss Marie Elms, who graduated here last May, and is now teaching at Easley, visited friends in the city and college recently.

Miss Maurine Ligon spent the weekend at her home in Sumter, returning Monday.

Any friend of the college who may have cannaes, salvia, dahlia or chrysanthemum slips in excess of their own needs will find them gratefully received at the college.

HIGH POINT SCHOOL

The Athenian Literary Society carried out the following program last Friday afternoon:

Song—"Old Black Joe."

Reading—Emma Clement.

Recitation—Charles Weigle.

Jokes—Annie Lou Martin and Faith Clement.

Recitation—Elva Myers.

Reading—Stella McClellan.

Debate—Resolved, That sewing should be taught in country schools.

Affirmative—Annie Burton and Elva McClellan.

Negative—John Clement and Cecil Cromer.

Song—"Juanita."

The following pupils got on the honor roll last month:

First grade—Levi Cromer, Bessie Vaughn, E. A. Burton, Annie Cason, Althea May Kay, Julian Cox and Hazel Weigh.

First advanced—Mary Greer, Willie Cromer, Julius Lark, Addie Smith, Haynie Burton, James A. Cason, Therman Cromer, Earle Gambrell and Paul and Leona Ashley.

Second grade—Fred Lark, Edgar Lark, Ida Cason, Etta Cason, Ernestine Weigle, Helen Cromer, Aaron Kay, Vivian Cox, Viola Gambrell, Fred Fields.

Third grade—Lizzie McClellan, Aaron Martin, Elva Myers.

Fourth grade—Joe McClellan, Max Greer, Leland Cromer, Abner Cox.

Fifth grade—Paul Lee, Rosa King, Savannah Canfield, John Clement, Cecil Cromer, Sam Hall, Robert Cummings, Charles Weigle, Emma Clement.

Seventh grade—Ada and Annie Burton, Rosabell Fields.

Eighth grade—Fanny Fields, Ella and Stella McClellan, Faith Clement, Sara Martin, Maude Holland.

Only a few people were present at the "tacky party" given by the improvement association Friday night, on account of the very bad weather.

FRAZER FITTING SCHOOL

The newest testimonial of the interest Dr. Frazer has in the youth of Anderson is the bowling alley now in use at the Frazer Fitting School.

Nothing seems to have proved as great a source of pleasure to one and all the boys of the institution as it has. Before school in the morning, during recess and in the afternoon, the rolling balls and the tumbling pins may be heard.

The faculty watched with great interest to see what the result of the appearance of such an attractive sport would be. They confess that it was with great misgiving on the part of some, lest the attraction would absorb all interest and have the studies slighted. However, after a trial of two weeks, when, of course, bowling while still new is at its most attractive stage, the faculty say they are glad to admit that there has been no falling off in the quality of the work of the boys and tardiness has been reduced to a minimum. Of course, they say the real test has not yet come and only time will prove how much good may come, but it is certain that so far the bowling alley has been a success and has had no evil effects.

Friday past was test day and the papers in some of the departments were up to previous averages.

ZION

The farmers had just gotten started preparing the ground when the rain began. Mr. Farmer, don't get blue for that wheat and oats are growing mighty fast.

We organized a literary society one day last week. Most all the scholars took part or joined rather. We are going to try to render a very interesting program in about two weeks. Come, we shall be glad to have you with us.

Mr. Hanna, who is principal of Pendleton school, brought some boys down Saturday and helped us in athletics. He seems to be very much enthused in this exercise. We appreciate the kindness he rendered us and wish to thank him very much. There were two other schools represented, Townville and McLees. We enjoyed their presence also.

Miss Jessie Gambrell intended having "an old-fashioned pound supper," but on account of the bad weather, had to postpone it.

We have been marching for fields day exercises, and everybody seemed to enjoy it very much.

Mr. Clayton Cromer, who was taking music at Dayton, Va., has joined the army. He plays trombone in the band. We all hope that he will enjoy it, but will be glad when his time expires, so he will get to return home.

Miss Ola Gambrell dined with Miss Mattie Graham, Sunday.

Rev. Owens delivered a very forceful sermon at Zion Sunday at eleven o'clock. We all were mighty glad to hear him, as his sermon was excellent.

Miss Lila Madden spent the weekend with her sister, Miss Oline Madden near Walhalla.

CLEMSON COLLEGE

At a recent meeting of the athletic association Dr. F. R. R. Calhoun, who has been serving in the double capacity of chairman of the faculty, athletic committee and president of the athletic association, resigned the latter position. He said that the work was too much for one man to do well. Professor J. W. Gantt, for many years secretary and treasurer of the association, was elected president. Dr. W. A. Barlett of track and field, was elected secretary and treasurer. Dr. F. Folger, president of the junior class, was elected vice president; and J. P. Harrell with J. H. Hunter and C. S. Garrett as assistants, was elected as football manager for next season.

In preliminary contests to select debaters to meet Davidson College at Whitworth College in April, the Calhoun society honors were won by D. Folger and A. M. Trotter; in the Columbia the winners were D. E. Swinehart and W. E. Blake; while in the Palmetto H. D. Barker and J. W. Sanders were the victors, with C. R. H. as alternate. The question for debate is the restriction of immigration by means of the literacy test. Clemson will oppose the test.

Several men have volunteered to enter the contest for the selection of debaters to meet Wofford and Charleston Colleges. The question for discussion is that England is a more truly democratic government than the United States. Dr. E. Swinehart and E. W. Garris will take the negative and P. C. Hanks and H. F. Jenkins the affirmative as representatives of the Columbia society.

The annual celebration exercises of the Palmetto literary society were held on last Saturday night with H. D. Barker presiding. Following are the names of the winners in the several contests: W. D. Tallevast, declaimer's medal; M. A. Smith, orator's medal; and S. C. Stribling, the debater's medal. W. A. Barlett, A. G. Holmes, and J. C. Littlejohn of the faculty acted as judges, and Dr. Barlett presented the medals.

Mr. Dooley of the Westinghouse company visited Clemson this week looking for men for his company. He made an interesting address at the morning chapel exercises.

Vedder Sitton, recently written up by Helmsman as one of the twenty-four greatest football players that the South has produced, is actively at work with the baseball men. About 80 candidates have presented themselves. R. B. Curpton has been elected captain. He plays the short stop position. The other old players back in college are: Her, second base; Tarrant, left field; Harris, right field; Schuchie, Thornton, and Anderson, pitchers. This is a nucleus around which to build a winning team.

The senior and junior clubs gave a delightful dance on Friday night of last week. The attractive decorations were largely patriotic in effect. The music furnished by the college orchestra delighted all.

Examination is just one week off. The work of the term has been good. Professors B. H. Johnstone and W. A. Ruten, who have been sick for two or three weeks, are recovering.

CLEMSON LOSES TO THE CITADEL

Bulldogs Triumph Over the Tigers For First Time in Athletics.

CHARLESTON, March 8.—The Citadel-Clemson basketball game, which was played in the city Y. M. C. A. court last Saturday night, resulted in an overwhelming victory for the local team—the final score being 48 to 20. The Citadel five took an early lead which the visitors were unable to overcome. Vociferous demonstrations followed the victory, which will long be remembered as the first athletic triumph over Clemson.

Wofford and Newberry are now tied for first honors in the State and having been defeated by Newberry the Citadel is desirous of playing Wofford so as to decide which may claim second place in the State championship standing. It is probable that a game will be arranged with them for next Saturday night.

A pleasant social function of the last week was the semi-monthly dance given in the new gymnasium hall, on last Friday evening. Among the debutants at this hop may be mentioned Cadets Martin and Ransom of Belton and Williamston respectively.

Leave was given Wednesday night to those who wished to see Billie Burke in "Jerry" at the Academy of Music.

Baseball practice will begin in earnest this week. Some fifty men will compose the squad and Coach Geo. C. Rogers expects to have a winning team.

Dr. J. O. Reavis, of Columbia, gave an interesting talk to the cadet Y. M. C. A. Sunday night on "A Trip up the Congo." He spoke from a standpoint of experience, giving a vivid description of the scenes he witnessed in passing through the heart of the great African continent.

Just after the parade on Washington's birthday, Governor Manning took occasion to remark that the Citadel boys made him proud of his State that afternoon and said that he hoped to see them with the West Point Cadets in the next inaugural parade in Washington. Good for the governor!

FOLEY KIDNEY PILLS

FOR WAGGACHE KIDNEYS AND BLADDERS

ERSKINE COLLEGE

On last Friday evening the semi-annual celebration of the Calhoun Literary Society was held in the Erskine auditorium. The invocation was made by Dr. G. G. Robinson. The program was as follows: President's address, Miss Mary Bigham; Freshman Essay, "Israel's Political Redeemer," Miss Ruth Williams; Sophomore essay, "Through a Hole in the Hedge," Miss Rachel Bigham; Junior essay, "Wordless Language," Miss Lily Brooks; Debate, Folsolved, That the government ownership of railroads in the United States is desirable; affirmative, Miss Ledia Bryson; negative, Miss Ruth Sheffield. The decision of the debate was rendered in favor of the negative.

President Moffet will be away for some time in the interests of the college.

The monthly meeting of the Abbeville county teachers was held last Saturday in the Euphemian Society hall. Prof. Reid of the department of science of Erskine College was among the speakers that addressed the association.

The Erskine students were delightfully entertained at the Wylie Home on Saturday evening.

Miss Janie Wylie of the class of '14, and Miss Marion Sturkey, a student at Erskine last year, attended the Calhoun celebration and spent the week-end with friends.

Miss Ballard of Rock Hill and Mrs. Adams, who has a daughter at Erskine were visitors at the Wylie Home for the week-end.

Miss Julia Moffat spent the week-end at her home in Due West. While there she attended at Erskine College at annual celebration of the Calhoun Literary Society, which took place on Friday evening, March 6. Miss Ruth Williams of this place took part in the program as the Freshman essayist and Miss Annie Laurie Dugan, also of this place, acted as one of the Marshalls. She with several others, who attended from this place, reports that the program was exceptionally good and that it was much enjoyed by all present.

The second term examinations passed off successfully last week and the pupils have resumed their regular work this week with a much brighter look on their faces than most of them wore last week. Though much dread of these examinations was manifested by the pupils most of them made good marks and the teachers seem to be well pleased with the examinations as a whole.

Miss Maggie Garlington, who is working in the interest of the "Girls' Tomato Club" and "The Boys' Peanut Club," was present last Wednesday evening at the Mothers' Club, which held its regular meeting in the school auditorium in order that the school children might be present to hear what Miss Garlington had to say. Several of the boys were present at this meeting and showed much interest in the work, while only a few girls were present at the meeting. It is likely that both clubs will be organized later.

As the spring season is approaching both boys and girls are entering into their athletics with more enthusiasm. After much delay the girls have begun practicing basket ball again, and they hope to be able to play a match game in the near future. The boys are likewise preparing for base ball practice by putting the grounds in good shape, and along with this they are practicing vaulting for field day exercises.

Several of the pupils have already volunteered to try in the preliminary contest which will be held some time in April to select speakers for the oratorical contest at Belton. The prices are being selected and practice on them will begin in the near future.

LANDER COLLEGE

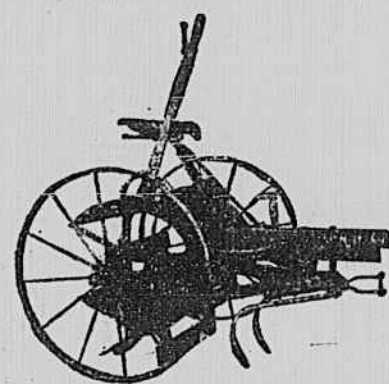

The next lyceum attraction will be given next Friday evening, March 12. Dr. W. S. Currell, of the South Carolina University will deliver a lecture according to the engagement made with the Lander Club last summer. This gifted speaker will doubtless be welcomed to Greenwood by a large audience. There will also be some charming music by the Lyric Club.

The first year's class in Domestic Science recently invited the new members of the faculty to enjoy a luncheon in the little dining room of the department. Miss Virginia Alexander of Chester made a charming hostess and Misses Jeann Broyles of Anderson, and Myrtle Willis of Florida, were excellent waitresses. The whole class did the cooking.

Mr. C. E. Prince who has just returned from spending the winter in California is making a visit at Lander. Dr. Willson was absent from the college several days this week, having gone to Henderson, N. C. to conduct the funeral of Dr. R. A. Child who was for several years the financial agent of the college. At the hour of the burial, all school exercises at the college were suspended for ten minutes.

Misses Sadie and Nora Lander, of Lincolnton, N. C., have been spending a few days at the college with Miss Annie Laurie Williams.

Miss Alexander of the faculty, went to Laurens, and Gray Court, recently for a short visit. Miss Bryan is spending the week-end in North Augusta, the guest of Mr. and Mrs. R. O. Lawton.

Kingman Stalk Cutter

MORE GOOD FEATURES THAN ANY OTHER

Pressure spring in front of axle prevents neck weight on horses.

Spring between pole and frame relieves jar on the driver.

No axle through center of reel to wind trash.

Double edge knives give twice the service of single edge.

Axle pins are not part of knife head and can be replaced, when worn, at slight cost.

Wheels have staggered spokes and hubs have hard oil caps.

Strong, Well Made, Handsome in Appearance.

Stop stopping to foot bills

Self-Footing

In most offices bookkeepers write out bills and statements and then stop to foot and prove. Hereafter bills will be written and accurately footed at one operation—on one machine.

Self-Auditing

With the easy-running Remington Adding and Subtracting Typewriter the dollars and cents add mechanically—while they are being typed. Discounts are deducted automatically.

The total once typed is equivalent to an expert accountant's O.K. It must be correct.

Billing, Listing, Letter-Writing

The Remington Adding and Subtracting Typewriter is a complete easy-running typewriter for letter-writing.

Switch a lever and it is a rapid, absolutely-accurate adding machine.

But, most important, it simultaneously writes and adds on the same page.

20th Century Speed

Whenever you see a clerk stopping to foot bills or statements you can now say, "There is time being wasted." Stop this waste.

Official Typewriter Panama-Pacific Exposition

REMINGTON Adding and Subtracting TYPEWRITER (WAHL ADDING MECHANISM)

Write today for our booklet "The Story of a Day's Work." It shows you how to save time and blunder-proof your totals.

Quality Hardware

has the same meaning as Safety First

CRATTANOOGA PLOWS A PLOW FOR EVERY PURPOSE

"THE LITTLE DANDY," a one horse plow, with Cutter Share, nine inches deep and seven inches wide. This plow has good clearance under the bottom and will not fill up with dirt and sticky soil.

"THE COTTON KING," a light two horse plow, made with steel beam, with a capacity six inches deep and nine inches wide. This plow is made Right Hand only; and from its great popularity it must be the right plow in the right place.

"TEHRACING" plow. See our No. 43 and 44. Every plow maker makes this style plow, but every plow maker does not make this QUALITY plow. Either of these No. 43 or 44 for terracing land cannot be beaten. The land side is sloping, and the moldboard is concave, strongly curved. Has a high, bold front, with a thin, sharp cutting edge. It's made either right or left hand.

"SUBSOIL" plow No. 17, which is not a surface tinker, but a real "subsoiler" is the plow you need. See it and you will agree with us.

Anderson Hardware Co. East Whitner Street
